

dyson v15s detect submarine

Dyson`s powerful vacuum now washes hard floors.

Cleans with clean water from start to finish.

Submarine™ wet roller head

Washable wet roller for easy and hygienic maintenance. 8 hydration points, evenly hydrate full-width roller to ensure the floor is evenly washed, removing water drip and tough stain.

Dyson Hyperdymium™ motor

Spins up to 125,000rpm, generating 240 AW of powerful suction for a deep clean.²

Fluffy Optic™ cleaner head

The Fluffy Optic™ cleaner head illuminates the microscopic dust and dirt you can't normally see on hard floors. Brighter illumination reaches 300mm³ – so you don't miss anything. Reveals 2x more invisible dust.³

Piezo sensor

Monitors particles 15,000 times a second to count and size sucked-up dust and debris. Shows you what you're sucking up on the LCD screen as you clean.²

Removes

A powerful Dyson Hyperdymium™ motor increases suction power when higher dust volumes are identified.¹

Digital Motorbar™ with de-tangling comb

Polycarbonate vanes automatically clear wrapped hair from the brush bar as you clean. In Auto mode, Dyson DLS™ technology monitors brush bar resistance 360 times a second, intelligently adapting power across different floor types.²

Up to 60 minutes of run time³

Advanced seven-cell battery delivers up to 60 minutes of whole-home cleaning. Remove and replace for extended cleans. Innate system monitoring and altitude sensors optimise power to the cleaner head.⁴

Whole-machine advanced filtration

Pet dander is a source of indoor air pollution. Dyson's fully-sealed system captures dust and seals in 99.99% of microscopic particles as small as 0.3 microns – smaller than pet dander.⁵

Dyson V15s Detect Submarine

SKU Number	448798-01	Button	Battery saving trigger
EAN Number	5 0251 5508 5073	Motor	Dyson Hyperdymium™ Motor (660 Watt)
SAP Name	SV47 V15S DT 248W EU/CH/IL/MEA SYe/Ir/Nk	Premium tech	Piezo sensor; DLS; Illumination
Model	SV47	Cleaner heads	Submarine™ wet roller head, Digital Motorbar™ Cleanerhead, Fluffy Optic™ Cleanerhead
Colour	Yellow / Iron / Nickel	Accessories	Combination tool, Crevice tool, Hairscrew tool, Drip Tray, Wall Dock
Suction power	240 Air Watts	Screen	LCD Screen
Filtration	99.99% up to 0.3 microns	Bin size	0.76 L
Run time	60 min (low mode); 5 min (boost mode)	Product Weight	3.8 kg
Charge time	4,5 h	Box Weigh	8.05 kg
Battery	1x battery ; 1x charger Click-in 7-cell, energy-dense battery,	Product Size (HLW)	266 x 250 x 1246
Modes	Three Modes (Eco, Auto, Boost)	Box Size (HLW)	154 x 990 x 325
		Units per palette 40HC	21
		Units per palette 20GP	18
Category	Wet & Dry	Range	Core/ Premium

¹ Suction tested to EN IEC62885-4 CL5.8 and CL5.9, tested at the flexible inlet, loaded to bin full, in Boost mode against the cordless stick market

² Best accuracy achieved in Auto mode. Auto ramp feature in Auto mode only. Testing based on average in home usage according to Dyson internal test data. Microscopic dust is defined as particles less than 100 microns.

³ Compared to the original Dyson Laser Slim Fluffy™ cleaner head. Effectiveness influenced by ambient light conditions, debris type and surface.

⁴ Applies in Eco mode on hard floor. Actual run time will vary based on power mode, floor type and/or attachments used.

⁵ Filtration tested against ASTM F3150, tested in Boost mode by independent third-party, SGS-IBR Laboratories US in 2020.

What is in the box:

Digital Motorbar™

De-tangling vanes automatically clear wrapped hair from the brush bar as you clean. In Auto mode, Dyson DLS™ technology, intelligently adapting power across different floor types.

Fluffy Optic™

Cleanerhead for hard floors which reveals the particles you can't normally see – so you don't miss anything

Submarine™ wet roller head

8 hydration points, evenly hydrate full-width roller to ensure the floor is evenly washed, removing water drip and tough stain.

Crevice tool

Engineered for precise cleaning around tricky edges and into hard-to-reach narrow spaces.

Combination tool

Two tools in one – wide nozzle and brush, for quick switching between cleaning and dusting tasks around your home or car.

Hair screw tool

De-tangle brush bar removes hair from pet beds, car seats and stairs. Fast. Motor-driven cleaning for smaller spaces.

Wall Docking station

Wall-mounted Dock to recharge your vacuum and tidily store tools.

Charger

Charges your vacuum cleaner with or without the Docking station.

Personalise with specialist tool kits
