Smart. Sleek. Connected.

- Quick and easy to find content with Titan OS

Design that speaks volumes

- Versatile, flexible viewing angles
- All-in-one remote. Seamless and effortless control
- European design thinking

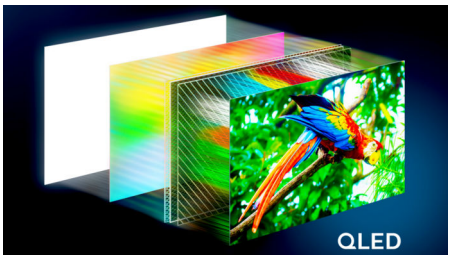

Highlights

Ambilight

Imagine. Integrated LED light reacting to everything you watch, while immersing you in a halo of colour. Ambilight changes everything: now your screen will seem bigger, drawing you deeper into all your favourite television. Once experienced, you'll never want another TV without it.

4K QLED

Vivid colours. Ultra-sharp scenes. It's picture perfection at its finest. With 4k (UHD), this is Ambilight TV that adapts to all your HDR formats. Every incredible moment, whether dark or light, played or streamed, lets you devour every detail as you watch scene by scene.

P5 picture engine

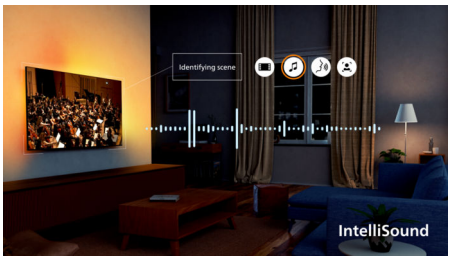

Picture this. Detail with greater depth. Colour so incredibly vivid. Skin tones so real. With such smooth, natural motion and imagery this crisp, it's as if you can feel yourself there in the moment. Open your eyes, elevate the senses and let yourself feel the difference.

Great for gaming

From joystick junkies to the most devoted gamers, this is all about super-responsive gameplay and graphics without skipping a beat. With up to VRR 144Hz, HDMI 2.1, ultra-low lag and Freesync premium, everything is there for smoother gameplay. And with Ambilight gaming mode, it's time to immerse yourself even deeper in the action.

IntelliSound

With our IntelliSound engine on board, your QLED TV can use AI to give you the best possible sound! Whether it's programmes and films, music or speech-heavy content such as news, the TV will optimise settings automatically. Don't want to use AI? You can also select preset sound styles manually or customise settings yourself.

Dolby Vision 2 and Dolby Atmos

Next-gen Dolby Vision 2 and Dolby Atmos put you in the director's seat, with a redesigned image engine and scene-aware AI optimising brightness, colour and motion. Every scene meets cinema standards, delivering immersive, lifelike experiences for films, sport and games.

Philips Smart TV Titan OS

The Philips Smart TV Titan OS platform brings what you love to watch, and fast. From sequels to series, and from documentaries to drama, everything you want is there at the touch of a button. Whatever you're looking to watch, keep all the best streaming apps easily within your reach.

Swivel Stand

Carefully designed functional and adaptable stand solution that offers rotational consideration, allowing flexibility, improved ergonomics, optimal angle of vision and reduced glare.

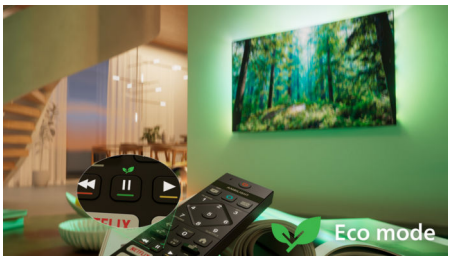

All-in-one remote

The all-in-one remote gives you full control of your Philips TV, soundbar, headphones and even external tuner boxes using just one remote control. Experience seamless, unified control. No more juggling multiple remote controls. Just smooth, connected convenience every time.

Highlights

Eco, slim design

Sustainability meets style. This beautifully crafted ultra-slim TV is designed with the planet in mind, from a remote made of recycled plastics to FSC-certified packaging and inserts printed on recycled paper. With Eco Mode, you can lower energy consumption across all content and settings in just one tap.
