BLACK TITAN

Le Nouveau Black Titan : Quand le Luxe Rencontre l'Innovation, probablement le meilleur matelas du monde

Dupen has proudly introduced the enhanced Black Titan mattress, now featuring premium-grade materials such as HRQ Extra foam, Airdream® of the highest quality, and the latest generation of micro-pocket springs known as Advanced. This mattress represents the epitome of luxury, offering unparalleled comfort and support to meet the needs of even the most discerning customers.

Crafted with meticulous attention to detail, the Black Titan boasts a top layer made from luxurious Damastretch fabric, ensuring a soft and sumptuous feel. The addition of HRQ Extra foam enhances pressure relief during rest, promoting a truly rejuvenating sleep experience.

At its core, the mattress is fortified with the latest Advanced micro-pocket springs, designed to provide optimal support and minimize motion transfer for undisturbed sleep. With a bottom layer featuring natural wool, breathable luxury fabrics, and anti-dust mite treatment, the Black Titan offers a holistic approach to comfort and hygiene.

Elevate your sleep experience with the upgraded Black Titan mattress, where luxury meets innovation for a truly exceptional rest.
