

dyson cyclone v10 absolute

Powerful cordless vacuum. De-tangles. For all floors.

Powerful suction

The Dyson digital motor V10 generates the suction power of a full size vacuum. With up to 60 minutes of fade-free suction.¹

Engineered for homes with pets

Dyson's latest de-tangling technology removes stubborn hair from all around your home.

Motorbar™ with de-tangling comb

Polycarbonate vanes automatically clear wrapped hair from the brush bar as you clean.

Mini motorised tool

Motorised brush bar tackles hair and stubborn dirt in tighter spaces, mattresses, upholstery and stairs.

Up to 60 minutes of run time¹

The Seven-cell, energy-dense battery delivers up to 60 minutes of fade-free power.¹

Whole-machine advanced filtration

Pet dander is a source of indoor air pollution. Dyson's fully-sealed system captures dust and seals in 99.99% of microscopic particles as small as 0.3 microns – smaller than pet dander².

²Filtration tested against ASTM F1977-04, tested in Boost mode by independent third party, SGS IBR Laboratories in US, in a laboratory setting.

What is in the box:

Motorbar™

De-tangling vanes automatically clear wrapped hair.

Fluffy™

Engineered with soft woven nylon and anti-static carbon fibre, for hard floors

Mini Motorhead

Motorised brush bar, concentrated in a smaller head to remove stubborn dirt from mattresses, upholstery, and stairs.

Combination tool

Two tools in one – wide nozzle and brush, for quick switching between cleaning and dusting tasks around your home or car.

Crevice tool

Engineered for precise cleaning around tricky edges and into hard-to-reach narrow spaces.

Reach Under tool

Bends to comfortably reach down low. Engineered to clean further under furniture by adjusting the wand angle up to 90°.

Wall Docking station

Wall-mounted Dock to recharge your vacuum and tidily store tools.

Charger

Charges your vacuum cleaner with or without the Docking station.
